

SOCIOLOGY OF HEALTH AND MEDICINE IN THE PUBLIC ARENA DURING THE COVID-19 PANDEMIC AND BEYOND

ESA RN 16 MIDTERM CONFERENCE
PRAGUE 24-26 MAY 2023

Conference programme

INSTITUT
SOCIOLOGICKÝCH STUDIÍ
Fakulta sociálních věd
Univerzita Karlova

Czech Academy
of Sciences

DAY 1: WEDNESDAY 24 MAY

11:30 – 17:00: ERC Pre-conference Workshop (Room 011)

Venue: Faculty of Social Sciences, Charles University, Smetanovo nábřeží 6, Prague 1

11:00 – 12:40: ERC Pre-conference Workshop Session 1

Chair: Jaroslava Hasmanová Marhánková

Esther Lermytte

Healthcare professionals' approaches to pain and fear management during childhood vaccination: insight from three European countries

Supervisor: Ema Hrešanová, Stefano Neri

Referee: Kristína Országhová

Kristína Országhová

Naturally (In)disposed: Lingering Affects of Medical Discourses on Boxing Bodies

Supervisor: Kateřina Kolářová

Referee: Martina Vanzo

12:40 – 13:10: Lunch break

13:10 – 14:50: ERC Pre-conference Workshop Session 2

Chair: Jaroslava Hasmanová Marhánková

Gabriele Cerati

The relevance of social factors in depressive and anxiety symptoms. Ethnographic report from two outpatients' clinics

Supervisor: Mario Cardano, Stefano Neri

Referee: Esther Lermytte

Michaela Honelová

The public perception of aesthetic procedures in the Czech Republic

Supervisor: Lucie Kalousová

Referee: Shuangshuang Liu

14:50 – 15:10: Coffee break

15:10 – 16:50: ERC Pre-conference Workshop Session 3

Chair: Mario Cardano

Martina Vanzo

Spiritual assistance in palliative care in Turin and Rome (Italy)

Supervisor: Mario Cardano

Referee: Gabriele Cerati

Shuangshuang Liu

Sandwich generation and ever-married women's mental health: do "gone lovers" matter?

Supervisor: Lucie Kalousová

Referee: Michaela Honelová

17:00 – 18:45: Participants registration

Venue: Czech Academy of Sciences, Národní 3, 11000, Praha 1

19:00 – 21:00: Opening Ceremony and Welcome Reception

Venue: Czech Academy of Sciences, Národní 3, 11000, Praha 1

Opening Ceremony: **Štěpán Jurajda** (Deputy Minister for Science, Research and Innovation of the Czech Republic), **Petr Soukup** (Institute of Sociological Studies, Faculty of Social Sciences), **Guido Giarelli** (ESA RN 16 - Sociology of Health and Medicine Coordinator), **Dino Numerato** (Conference Chair)

DAY 2: THURSDAY 25 MAY

Venue: Faculty of Social Sciences, Charles University, Smetanovo nábřeží 6, Prague 1

9:00 – 10:00: Keynote Lecture: Anna Durnová (University of Vienna) **(Room 215)**

Enhancing Emotional Awareness in Sociological Expertise

10:00– 10:30: Coffee break

10:30 – 12:00: Parallel Sessions 1

Primary care in transition: experiences of COVID-19 in European countries (Room 014)

Chairs: Stefano Neri, Elena Spina and Giovanna Vicarelli

Zuzana Kotherová & Olga Angelovská

GP as a lone rider in vaccination against (not only) COVID in the Czech Republic

Lorraine Frisina-Doetter

Choosing the right path: exploring learnings and weighing reform options for primary care in Italy and Montenegro

Micol Bronzini, Roberto Lusardi, Enrico Maria Piras

General Practice between Everyday Practice, Knowledge Production, and Evidence-Based Medicine. The emergence of "dissident" networks during the Covid-19 pandemic in Italy

New roles of online health communities: between lay expertise and fulfilling institutional gaps I (Room 020)

Chairs: Alberto Ardisson, Iwona Leonowicz-Bukała, Monika Struck-Peregończyk, Alessia Bertolazzi

Alberto Ardisson, Iwona Leonowicz-Bukała & Monika Struck-Peregończyk
Are online health communities filling healthcare institutions' information gaps? Evidence from Italy and Poland in a study on diabetes management

Fabiola Balestrieri
On the road with uncertainty. A netnographic study on brain cancer communities during the Covid-19 pandemic

Dorota Żuchowska-Skiba
(New?) importance of social media for people with disabilities in Poland during the Covid 19 epidemic

Aleksandra Piłat-Kobla, Anna Prokop-Dorner
Pandemic sandbox – A netnography of an online community of mothers during the health crisis

Participatory and interdisciplinary approaches to renew investigation practices and overcome post-pandemic methodological challenges (Room 012)

Chairs: Concetta Russo & Alessandra Decataldo

Kateřina Ivanová
Guidelines in public health: where is the role of sociology?

Cliona Loughnane and Claire Edwards
Relational care ethics and the dynamics of participatory research with disabled people during COVID-19

Charikleia Tzanakou, Roberto Cibin, Audrey Harroche
A critical reflection on the development of mobile app survey as a methodology to investigate intersectional inequalities

Roberto Cibin, Tereza Stöckelová, Alain Denis, Sofia Strid
The use of the Design Sociology approach in pandemic research: reflection from the RESISTIRÉ project

Vaccine hesitancy I (Room 112)

Chair: Jaroslava Hasmanová Marhánková

Michał Wróblewski
Vaccine hesitancy in highly polarized society. The case of Poland

Aurélie De Waele, Greet Hendrickx, Sara Valckx, Pierre Van Damme
The Vaccine Training Barometer: assessing healthcare providers' confidence to answer questions about vaccination and their need for training

Katalin Kovács
The onset of controversial communication on vaccination: influenza vaccination in Hungary

Aleš Chrdle
Covid-19 vaccination attitudes in nurses and nursing students – Czech data and scoping review of international cross-sectional studies

Special session – book launch (Room 215 – starting at 11:00)

Genova, A., Scavarda, A., & Świątkiewicz-Mośny, M. (Eds.). (2023). *Disability Welfare Policy in Europe: Cognitive Disability and the Impact of the Covid-19 Pandemic*. Emerald Group Publishing.

Discussants: Mario Cardano and Guido Giarelli

12:00– 13:00: Lunch break

13:00 – 14:30: Parallel Sessions 2

Risk perception, coping strategies and institutional responses to the COVID-19 health crisis in the older population (Room 014)

Chairs: Cristina Calvi & Domenico Carbone

Jessica Runacres

Carers' experiences of caring for a friend or family member with dementia during the Covid-19 pandemic

Davide Lucantoni

Changes in Volunteering of Older Adults in the Time of the COVID-19 Pandemic: The Role of Motivations

Piotr Paweł Laskowski, Łukasz Kiszkiel

Coping strategies with COVID-19 pandemic and their influence on the health, mental condition and social relations of older people in Poland based on a tracking and panel study

Katarzyna Zawisza, Paulina Sekuła, Michalina Luśtyk, Beata Tobiasz-Adamczyk

Social capital and all-cause mortality among people aged 50+ in Poland

New roles of online health communities: between lay expertise and fulfilling institutional gaps II (Room 020)

Chairs: Alberto Ardissonne, Iwona Leonowicz-Bukała, Monika Struck-Peregończyk, Alessia Bertolazzi

Micol Bronzini; Roberto Lusardi; Enrico Maria Piras

Professional online communities addressing the knowledge gap during the Covid-19 Pandemic. The case of the "early home therapies" network in Italy.

Iwona Leonowicz-Bukała

Online health communities on Facebook for patients with Type 1 Diabetes and their caregivers in Poland. Research project

Krystyna Dzwonkowska-Godula

The power of social media in reproductive healthcare within and beyond the public healthcare system. The comparative study of Poland and Canada

Health and social theory (Room 012)

Chair: Monica Murero

Linda Lombi, Eleonora Rossero

How Artificial Intelligence is reshaping the autonomy and boundary work of radiologists. A qualitative study

Pelle Pelters

Towards conceptual reliability in understanding "health identity" and "illness identity" – an integrative review

Ana García-Arranz & Salvador Perelló-Oliver

Social control in a self-medicated society: a systematic review

Vaccine hesitancy II (Room 112)

Chair: Luigi Gariglio

Mario Cardano, Dino Numerato, Luigi Gariglio, Jaroslava Hasmanová Marhánková, Alice Scavarda
Rethinking Vaccine Hesitancy towards Childhood Vaccinations: Beyond a Unidimensional Understanding

Didde Boisen Andersen
On the moral permissibility of opt-out strategies for childhood vaccination programmes

Jeremy Ward
Between psychology and sociology: how can we explain political differences in public attitudes to vaccines?

Ève Dubé
Fake news, rumors, Misinformation: Are we inflating the Impact of Social Media on Vaccine Hesitancy?

The role of emotions in sociological research on health and medicine (Room 215)

Chairs: Catarina Delaunay & Ana Patrícia Hilário

Magdalena Ślusarczyk, Maria Świątkiewicz-Mośny, Natalia Ożegalska-Łukasik
Emotional Content in Educational Materials Related to COVID-19 - Universal vs Local Patterns

Sandra Escapa, Marga Marí-Klose, Albert Julià, Pedro Gallo
Loneliness among youth and its association to both self-perceived health and risk of poor mental health: results from a cross-sectional study using a representative sample in Barcelona, Spain.

Anna Skiba
The lack of emotions. Why do the Javanese not speak about emotions while describing mental illnesses?

Catarina Delaunay; Luís Gouveia
The paradoxes of professional practice in ART: Emotion work between standardized conduct and an ethics of care

14:30 – 15:00: Coffee break

15:00 – 16:30: Parallel Sessions 3

Health care systems after the COVID-19 pandemic: sociological perspectives in the public debate (Room 014)

Chairs: Giovanna Vicarelli, Guido Giarelli

Anna Rosa Favretto, Domenico Carbone, Cristina Calvi, Manuel Finelli
Unmuting voices: adolescents and norms during the Covid-19 pandemic

Marilin Mantineo
The Covid-19 pandemic from the prospective of the disaster research

Michael J. Deml
Social sciences and the policy elite of the COVID-19 pandemic response in Switzerland

Anti-institutionalist, complementary and alternative healthcare pathways (Room 020)

Chair: Ema Hrešanová

Tereza Stöckelová & Varvara Borisova
Pathologized, shaken, forced away: vegans' experience with biomedicine

Tim van Meurs
Covid-19 as a catalyst for anti-institutionalist 'careers'

Salvador Perelló-Oliver & Ana García-Arranz
Social beliefs and lay perceptions towards dietary supplements in Spain. A quantitative analysis

Doing research with children in a pandemic time (Room 012)

Chairs: Stefania Fucci and Francesca Zaltron

Carmen Maria Sanchez Caro
Following COVID-19 protocol while doing research at a ECEC service

Roberta Bosisio, Giulia Maria Cavaletto, Federica Cornali, Manuela Olagnero, Giulia Storato
Participatory methods in health research with children: reflections from a research with hospitalized children during the pandemic

Francesca Zaltron, Anna Rosa Favretto, Stefania Fucci
Rethinking the children's chronic illness management at school: making visible the "everyday life work" of children

Vaccine hesitancy III (Room 112)

Chair: Alice Scavarda

Petra Auvinen, Aapo Kuusipalo, Pia Vuolanto
The conflicting social worlds of vaccine encounters between Finnish public health nurses and vaccine-hesitant parents

Esther Lermytte; Alice Scavarda; Ana Patrícia Hilário
Healthcare professionals' approaches to pain and fear management during childhood vaccination: insights from three European countries

Paulina Polak, Tadeusz Rudek, Maria Świątkiewicz-Mośny, Aleksandra Wagner
Vaccination practices and vaccine hesitancy in Poland. Who's afraid of the hesitant parents?

Health and aging (Room 215)

Chair: Jaroslava Hasmanová Marhánková

Francesca Degiuli
Who shapes care? A look at how geriatricians in Italy and the United States shape (or fail to shape) societal understandings of aging and its needs.

Flavia Atzori, Giovanna De Santis
Frailty and social vulnerability among older adults in Italy

Monica Murero, Stefania La Grutta
Digital Innovation Aging: Failures and a Best Practice in Digital Health for Senior Patients During and Beyond the Covid-19 Pandemic

Jaroslava Hasmanová Marhánková
"Living in a different world": older adults' subjective representations of dementia and Alzheimer's disease

Health and inequalities I (Room 011)

Chair: Stefano Neri

Ismini Drakou
Investigation of socio-economic and geographical inequalities in utilisation of health care services by the 50+ population in Greece in the period before, during the peak and after the economic crisis (2008, 2015, 2019) and the outbreak of COVID 19 (mid 2020)

Maria Świątkiewicz-Mośny, Magdalena Ślusarczyk
It's all about the health of our children... Does the health policy matters?

Mario Lucchini, Carlotta Piazzoni, Marco Terraneo
Internal geographical mobility and health: evidence from ITA.LI, the Italian Longitudinal study

16:30 – 17:00: Coffee break

17:00 – 18:00: Round Table 1: Public sociology and crises (Room 215)

Public Sociology and Covid-19

Speakers: *Daniel Benamouzig, Guido Giarelli, Ana Patrícia Hilario, Daniel Prokop*

Chair: *Dino Numerato*

18:00 – 19:00: ESA RN 16 General Assembly

20:00: Social Dinner

DAY 3: FRIDAY 26 MAY

Venue: Faculty of Social Sciences, Charles University, Smetanovo nábřeží 6, Prague 1

9:00 – 10:00: Keynote Lecture: Dan Goodley (University of Sheffield) **(Room 215)**

Being Human as Praxis: Activists with intellectual disabilities as public intellectuals and theoretical provocateurs

10:00 – 10:30: Coffee break

10:30 – 12:00: Parallel Sessions 4

The impact of COVID-19 pandemic on the social construction of health and illness for and by persons with disabilities: call for a sociological reflexivity towards a public sociology **(Room 014)**

Chairs: Maria Świątkiewicz-Mośny and Angela Genova

Angela Genova

Disability Health Policies: Changes on Policies and Services during the Pandemic in Italy

Milena Trojanowska

Perception of disability in the context of the Covid-19 pandemic in the Polish media - a return to the functional model model.

Kateřina Kolářová

The disabling paradoxes of pandemic governance

Gender and health (Room 020)

Chair: Francesca Sirna

Ana M González Ramos

On symptoms, diagnoses and treatments fulfilling sense to illness in practical clinical guidelines:

Blanka Nyklová, Vanda Černohorská

Ignorance as policy? Gender-based violence under Covid-19 pandemic in Czechia

Marga Marí-Klose; Albert Julià; Sandra Escapa; Pedro Gallo

Period poverty and risk of poor mental health among young women in Barcelona, Spain

From narratives to textual analysis in social sciences (Room 012)

Chairs: Guido Giarelli and Francesca Greco

Edward Tolhurst

Relational narratives: the experience of women with dementia and their male spousal partners

Cosmin Toth

The discursive construction of a crisis situation through online comments - the case of the peak period of COVID-19 illnesses in Romania

Francesca Greco

Social media communication, emotions, and Public Health

Valentina Biagioli, Giulia Manzi, Francesca Greco, Giuseppina Spitaletta, Annachiara Liburdi, Rachele Mascolo, Orsola Gawronski, Riccardo Ricci, Emanuela Tiozzo, Ercole Vellone, Teresa Grimaldi Capitello, Michele Salata, Massimiliano Raponi, Immacolata Dall'Oglio

Emotional text mining to explore self-care in children and young people with complex chronic conditions

Vaccine hesitancy IV (Room 112)

Chair: Alice Scavarda

Joana Mendonça, Ana Patrícia Hilário

Natural intensive parenting and vaccine hesitancy: insights from Portugal

Jaroslava Hasmanová Marhánková

"I can't stay at home with my child" – the role of work-life balance strategies in the public discussions, interactions and decision-making processes regarding vaccination

Ekaterina Borozdina

The infrastructure of distrust: vaccination hesitancy among middle-class Russian parents

Poster Session (Room 212 – posters exposed continuously from 25 to 26 May)

Hana Konečná, Jan Motal

Problematic practice in hunting for donors of body parts

Michaela Honelová

Development of aesthetic surgery in the Czech Republic: Scenario and expected changes in the practice of aesthetic surgery during and after the COVID-19 pandemic

Shuangshuang Liu

Sandwich generation and ever-married women's mental health: do "gone lovers" matter?

Rainer Reile, Mall Leinsalu

"Sociodemographic factors and individual trajectories of self-rated health during the COVID-19 pandemic in Estonia"

Radka Bužgová

Evaluation of the sense of coherence and self-esteem of the community dwelling older people in relation to the covid-19 pandemic

Radka Kozáková

Social contacts, silence, and quality of life of community dwelling older people during the covid-19 pandemic

Maika Ohno

Protective factors for postCOVID-19 conditions and implications for health inequality in older people in Europe.

Gözde Okcu

A conceptual overview on life skills education and its relevance to daily-life-changes during the pandemic for adolescents

12:00 – 13:00: Lunch break

13:00 – 14:30: Parallel Sessions 5

Women's Health (Room 020)

Chair: Lia Lombardi

Maria Hybholt

Emotional aspects of physical (in)activity throughout women's lifecourse

Fiona Spotswood and Lauren Gurrieri

"I need to be fit to exercise". Teleoaffective misalignment through body evaluation and body projection practices for mothers.

Lia Lombardi

"Oocyte self-preservation for non-medical reasons". A new medical and social challenge for human reproduction

Valeria Quaglia, Alessia Bertolazzi, Emmanuele Pavolini

Risk factors that influence the decision to perform a cesarean section in high income countries: a systematic review

Artistic inspiring approaches in health and illness research: Insights on the use of arts-informed methods (Room 012)

Chairs: Ana Patrícia Hilário, Veronica Moretti, Alice Scavarda

Ana Patrícia Hilário; Joana Mendonça

Improving the communication skills of healthcare professionals on vaccine hesitancy through comics

Natalie Buhagiar & Lucia Buhagiar

Teaching and learning about Occupational Science through arts-informed methods

Alice Scavarda

The use of participatory visual methods in research with cognitive disabled people: some methodological reflections

End of life and palliative care in the post-pandemic era: old problems and new perspectives (Room 014)

Chairs: Guido Giarelli, Barbara Sena

Bernhard Weicht

Dementia and the end of life: Negotiating a terminal condition

Amalie M. Hauge; Didde B. Andersen

Working at the Boundaries of Dying

Sonia Chiaravalloti; Eleonora Rossero; Barbara Sena

The palliative field between "medicine" and "care": a sociological perspective on past and present medical-health training

Vaccine hesitancy V (Room 112)

Chair: Jaroslava Hasmanová Marhánková

Emilie Karafillakis; Rachel Eagan

The state of vaccine confidence in the EU in 2022

Abrar Alasmari

A mixed methods study of health care professionals' attitudes towards vaccination in 15 countries

Pierre Verger

Measuring vaccination attitudes and behaviors of healthcare professionals across Europe using the International-Pro-VC-Be

Lukasz Kiszkiel; Piotr Laskowski

COVID-19 Vaccine Hesitancy in Poland—Multifactorial Impact Trajectories

14:30 – 15:00: Coffee break

15:00 – 16:30: Parallel Sessions 6

Resilience, marginalisation and strategies of adaptation (Room 014)

Chair: Catarina Delaunay

Caterina Filareti

Narratives of care and pandemic emergency. Evidence from a case study South Italy

Cinthia Párraga

Urban Agriculture: From Well-being to Resilience. Preliminary results

Giulia Mascagni

To cure and be cured in marginality. A survey on the homeless, health and access to care

Health inequalities II (Room 020)

Chair: Lucie Kalousová

Marco Ciziceno

The Impact of the Covid-19 Pandemic on the Mental Health in Italy

Liubov V. Borisova

The Changing European East-West Health Divide: Did COVID-19 Pandemic Follow the Pattern?

Vaccine hesitancy VI (Room 112)

Chair: Luigi Gariglio

Maurizio Esposito, Lia Lombardi, Alessandra Sannella, Sara Sbaragli, Maria Ferrara, Elisa Langiano, Elisabetta De Vito.

Connecting theories and interventions for reducing vaccine hesitancy in Europe. First findings from VAX-TRUST Project (RTD Project: 965280)

Marie Henriette Madsen

Interactions of doubt: Health professionals' encounters with parents over childhood vaccinations

Hendrickx Greet, De Waele Aurélie, Valckx Sara, Janssens Brenda, Godfrey Alba, Maassen Alison, Van Damme Pierre

Vaccine communication training for healthcare providers - an IMMUNION initiative

Tadeusz Rudek, Aleksandra Wagner, Paulina Polak, Maria Świątkiewicz-Mośny

Communicating uncertainties. Expert bodies on Covid-19 in Poland

16:30 – 17:00: Coffee break

17:00 – 18:00: Round Table 2: Public sociology and crises (Room 215)

Impacts of the Ukrainian War on Health and Healthcare

Speakers: *Anastasia Riabchuk, Elena Tulupova, Magdalena Ślusarczyk*

Chair: *Marie Jelínková*

18:00 – 18:30: Closing Ceremony (Room 215)

Closing Ceremony: **Guido Giarelli** (ESA RN 16 - Sociology of Health and Medicine Coordinator), **Dino Numerato** (Conference Chair)
